

SO WE'VE HEARD
SOME COOL TALKS.
WATCHED SOME
AWESOME FILMS.
SO WHAT ARE
WE GOING TO
DO NEXT?

THANKS FOR BEING HERE TODAY, WE HOPE YOU ENJOYED SCAS 16.
WE RUN SCAS TO HELP SAVE MORE LIVES AFTER OHCA.
WE'RE COMMITTED TO SUPPORTING A MOVEMENT TO IMPROVE
RESUSCITATION ACROSS THE COUNTRY.
THIS YEAR WE'RE ASKING THAT YOU TAKE AT LEAST
ONE ACTION AS A RESULT OF WHAT YOU'VE SEEN TODAY.
WE'VE EVEN GIVEN YOU SOME SUGGESTIONS:

- Share one of the films you've seen from the symposium - scas.scot
- Tell someone about a talk from SCAS16 or share it with them on video - scas.scot/2016
- Follow or Like Save a Life for Scotland on social media and give us some love online - [@savealifescot](https://twitter.com/savealifescot)
- Teach CPR by linking up with SFRS or your local CFR scheme - savealife.scot/CPR-training
- Find out how to get involved with supporting schools in CPR training - savealife.scot

SHIFT HAPPENS.
LET'S MAKE IT HAPPEN.
